

## **2.1. You Start Dying Slowly**

---

- Pablo Neruda

या कवितेत, कवीने आयुष्यातले आनंदाचे क्षण जर तुम्ही जगला नाहीत तर आयुष्य कसे कंटाळवाणे होते हे सांगितले आहे.

### **Lesson summary**

This poem is about giving time for your own self. We all should be happy and satisfied with everything in life. We should always do the things which we love. We should value ourselves. We should travel, read, wear colorful clothes and be happy with our job. We should always have a dream and should work to complete it.
