

Or will the dreamer wake

Summary:

The tigress is about to give birth. Her cubs may be the last one. The white bear has cubs in her stomach. They may be the last cubs. Song thrush, a bird lays eggs. They will be hatched soon. They may also be the last chicks. The whale will soon give birth and it may be the last child. The poet says that many animals are dying. Our grandchildren will not be able to see them. Mankind should save animals and nature. We should wake up soon.
